MD HUMAYUN KABIR

Senior Web Developer & SEO Specialist
Tamai, Belkuchi, Sirajganj - 6730, Bangladesh

TO WHOM IT MAY CONCERN

Subject: Job Experience Certificate.

This is to certify that **Mr. Md. Humayun Kabir** has been employed with **DIGITALI** as a **Senior Web Developer & SEO Specialist** since **07 February 2016**. He has been working **remotely from Bangladesh** and continues to be an active employee of the company.

As of the date of this certificate, Mr. Kabir has **more than 10 years of professional experience** with our organization. During his employment, he has consistently demonstrated outstanding technical expertise, dedication, and professionalism while delivering high-quality web development and digital marketing solutions for clients across various industries.

His primary responsibilities include:

- Custom website development and maintenance
- WordPress website development, theme customization, and plugin integration
- PrestaShop, Shopify, WooCommerce, Wix development and customization
- Search Engine Optimization (Keyword Research, On-page, Technical & Off-page SEO)
- HTML5, CSS3, JavaScript, PHP, MySQL, and Bootstrap development
- Technical consultation, project coordination, and client support

Throughout his tenure, Mr. Kabir has consistently displayed excellent analytical skills, strong problem-solving abilities, attention to detail, and the capability to manage multiple projects while meeting strict deadlines. His commitment to quality and continuous learning has made him a valuable member of our development team.

We appreciate his dedication, professionalism, and significant contributions to DIGITALI and look forward to his continued success within our organization.

This certificate is issued at the request of Md Humayun Kabir for the purpose of employment verification and supporting his work permit/visa application. We confirm that the information provided above is true and accurate to the best of our knowledge.

Sincerely,

Sverre Eriksen

Managing Director, DIGITALI
